

Bike Safety

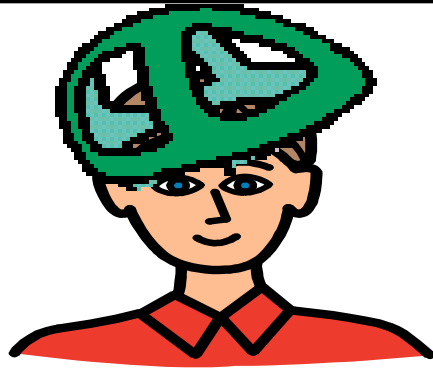

I like to ride my bike!! It's fun!!

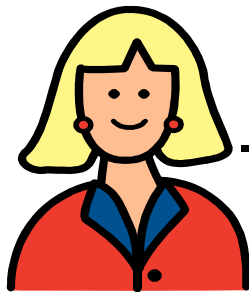

When I ride my bike, I need to be safe.
It is a rule for all children to wear a helmet
on their head when they ride a bike.

Wearing a helmet will keep me safe. The
helmet will protect my head if I should fall.

I look cool in my helmet!!

Thank you
for being
safe.

Riding my bike is fun, wearing my helmet when I ride my bike is what I do to be safe. I can have fun and be safe. My Mom will be happy when I follow the helmet bike rule.
